*Quality Care in the
Comfort of Your Own Home*

■ QUALITY CARE

Welcome

We appreciate the opportunity to serve you in the safety and security of your own home. We are trained professionals and take pride in our capabilities. Be assured all information is always confidential.

Since 1994, **Connally Memorial Home Health** has helped hundreds of patients recuperate from surgery, injury or illness, learn about their disease process, receive therapy after a stroke, or have their medication regimen monitored.

We provide all levels of service, from skilled nursing care to homemaking, and there is always a registered nurse on call. This type of care is provided by our home health service in the comfort of your own home.

Our agency is fully licensed and certified under federal, state and local laws, and is approved for participation in Medicare and Medicaid programs.
